SECRET

DCI SECURITY COMMITTEE
MONTHLY ACTIVITIES REPORT
MAY 1979

1. The Committee staff assisted in the preparation of the final paper on the APEX Security Control System forwarded to the DCI, and made necessary revisions to the final versions of the APEX system manuals. [REDACTED] 25X1
25X1

3. A Committee staff member was designated by the Foreign Intelligence Surveillance Court to serve as its security officer. Basic security procedures for the Court were published in May by the Chief Justice of the United States, following consultation with the DCI and the Attorney General. The Court is hearing and acting on applications for authority to conduct electronic surveillances for national security purposes. [REDACTED] 25X1

4. Committee staff members attended hearings on Intelligence Community agency pre-employment security clearance procedures, held by the Oversight Subcommittee of the House Permanent Select Committee on Intelligence. The Committee chairman testified in his capacity as CIA Director of Security. The State and the DIA members of the Committee also appeared as witnesses. [REDACTED] 25X1
25X1

5. [REDACTED] USAF, reported for a two-year tour with the Committee staff as Chief, Personnel and Industrial Security Branch. Two of the staff's three branches are now headed by representatives of non-CIA agencies as part of a continuing program to broaden Community involvement in the Committee's work. [REDACTED] 25X1
25X1
